

# DID YOU KNOW JESUS LIKES BEING WITH YOU?

Do you believe God delights in you? That He likes being with you? If not, what beliefs are defining your relationship with Him?

Do you believe God wants you to be happy?  
Why or why not?

Jesus wants us to ask Him for things with confidence, humility and faith. Is that your normal posture in prayer, or do you struggle to believe He will give you what you want?

When have you experienced intimacy in prayer?  
In prayer, go back to that consolation and allow His love to wash over you again.
