

YOU HAVE AN ENEMY

Does the idea of active spiritual warfare resonate with you? How do you feel it within your own life, family, parish, or friend group?

Jesus says in John 10:10 that the thief comes to steal, kill, and destroy. Where have you seen the enemy's efforts to steal, kill, or destroy in your life personally?

Has God ever directly rebuked the enemy's lies to you through the Holy Spirit, a friend, His Word, etc? What did you hear from Him?

Which ways of "nurturing the soil" (daily prayer, Eucharistic adoration, the Sacraments) do you need help strengthening? Share them and let the group help you grow closer to the Lord.
