

WHY DOES GOD MAKE ME WAIT?

Do you believe God's will for you is gracious (Matthew 11:26)? Why or why not?

How have you experienced God's kindness, mercy, or favor in the past? Share it with the group and allow God to use your story to encourage someone else.

Imagine God the Father squatting down before you, beckoning you to come to Him. Does that image feel true to you? How does seeing the Father this way make you feel?

Where do you have the opportunity right now to practice trusting God? Make an act of faith in prayer and choose to trust God.
