

YOU DON'T HAVE TO FORCE IT

Have you ever been disappointed in prayer?
What were you praying for?

How have you seen God work all things together for
good in your own life?

Are you still waiting for some revelation, restoration
or reconciliation? Would you share your hope with
us here so we can pray with and for you?

Have you found yourself becoming bitter, angry or
hopeless in the waiting? Bring those feelings
honestly to God in prayer (He can handle it).
Repent of any sinful behaviors and ask Him
to increase your hope and perseverance.
