

# GOD LOVES YOU!

God is love. (1 John 4:8)  
How have you experienced the  
personal love of God for you?

What does it mean to you to think of God as  
a Mad Lover and you as His Beloved?  
What does that stir in your heart?

What obstacles keep you from receiving  
God's love more fully?

Which of St. Bernard of Clairvaux's three comings  
of Christ (first, final, middle) spoke to you?  
Which will you take to prayer this week?
