

# EYES ON JESUS

Scripture says His name is faithful and true.  
What does this name mean to you?  
How has Jesus been faithful and true to you?

What circumstances in your life cause you to doubt  
God's faithfulness? Share them with us and Jesus  
so we can be praying for you.

Is there a difference between who God is and  
who you think He is? What is in that gap?

Jesus wants to still the storm within you.  
How can you lock eyes with Him instead of  
focusing on the wind and the waves?
