

# FAITH LIKE A CHILD

What characteristic of a child would you like to emulate in your relationship with the Father?

Is there a situation you're struggling to trust Jesus with or in? Tell us about it. Tell Him about it. Then, ask for the grace to trust Jesus even more.

What's your favorite way to play?  
How will you invite the Father to play with you?

Do you have a favorite mystery? Why does that particular story or scene touch your heart? Spend some time with Jesus and Mary in that Gospel story and ask God to deepen the graces there.
