

WANT TO TALK ABOUT IT?

Do you resonate with withering or burning out?
What's the current state of your
mind, body, and soul?

Do any of the obstacles Beth described feel
familiar to you? What truth needs to
replace the lie you've been believing?

What aspect of God's nature or character would
you like to study and believe more deeply?

What works?
When you're feeling disconnected from the Lord,
what prayer practice will you revisit to help
you reconnect this week?
