

# WHAT TO DO THIS HOLY WEEK

What words of love has the Lord spoken to you  
in His Word or in your heart recently?  
Recall and share them now.

What does it look like to remain with Him?  
How can you practically stay with  
Jesus throughout your day?

When has Jesus remained with you?  
Think back on an experience of Jesus'  
faithful and abiding presence and ask  
Him to deepen the graces.

What particular grace do you feel you need right now?  
Spend some time in prayer asking God  
what particular grace He wants to give you.
