

# GOD IS WORKING ON IT

Have you seen evidence of God's slow steady work in your life? What was your experience with patience and perseverance?

What are you waiting for?  
What sweet gifts and graces  
have you received in the waiting?

Reread James 5:7-12.  
What verse, phrase or word  
sticks out to you personally?

While we wait for God to do His thing, Scripture tells us we can do three things: not grumble, look to faithful examples, not curse. Which one will you choose to do today and why?
