

SHOW AND TELL WITH JESUS

Did you ever participate in Show and Tell as a kid?
What item did you bring?

If you were to Show and Tell your heart with Jesus
right now, what would you reveal?
What would you say?

Have you ever experienced understanding or healing
through a conversation over food?

What do you need to pour out to the Lord?
Share your heart with us now, and find some
time this week to share your heart with Jesus.
