

THE BATTLE IS ALREADY WON

How has the enemy been lying to you?
And what truth can you replace it with?

Who or what has been defining you?
How can you root yourself in your identity as
Beloved Daughter?

Is there a situation or relationship in your life
that could use a little kingdom perspective?
How could you pray about it from a place of victory?

Which of the three Scriptures Beth shared
do you need to read and meditate on for yourself:
Ephesians 6:12, Revelation 21:7, or Matthew 16:18?
