

FALLING IN LOVE WITH JESUS

Step back and examine your priorities. What's at the top? How does your life reflect that priority?

Reread Matthew 6:33 in your own Bible. How is the Lord inviting you to seek first the Kingdom?

If you want to know Jesus, read the Gospels. Is there a particular Gospel that has taught you something about Who Jesus is or what He's like? Share it with a friend.

Jesus wants to love you. How will you unveil your heart honestly and vulnerably in prayer? What can you share with Him today?
