

WHO ARE YOU LISTENING TO?

Thought check! What have you been thinking about?

Now examine your thoughts. Who's voice have you been listening to: the world, your flesh, the devil, or the Lord?

Jesus says that we can hear His voice (John 10:27). What characterizes Jesus' voice? What kind of fruit does it bear in your soul/life?

How will you tune into God's voice this week? Reading Scripture, looking for God's blessing and thanking Him, going to Eucharistic Adoration, or something else?
