

LET'S MAKE HISTORY

When have you experienced being in God's hand?

Think back on your history with the Lord. Had there been a word, image, Scripture, or grace from the past that he might be inviting you to revisit?

How will you deepen your relationship with God prayer today to keep building on your history with Him?

Ask the Lord to give you the grace to make a commitment to daily prayer. Five minutes? Fifteen? Share that with a friend and ask for accountability!
