

YOU ARE NOT A FIXER UPPER

When have you experienced being received by another in conversation? What was that like? What did it mean to you?

Can you relate to having a “fixer upper” mindset in prayer? What problem, situation, or relationship do you desire for the Lord to fix?

Are you weary? Carrying heavy burdens? Tell the Lord about it now. Relate your heart rather than ask questions or seek solutions.

Reread Matthew 11:28. How will you come to Him today?
