

LET'S READ THE GOSPEL OF JOHN

Have you experienced the joy and peace of studying God's Word? Do you notice when that time is missing?

What would it look like to apply God's Word to your life? Is there a situation, behavior, or aspect of your life that you know might need to change?

How will you make space to read John chapter one everyday this week? Moving forward?

Who will you invite to read the Gospel of John with you?
