

HURTS SO GOOD (DISCIPLINE)

What was stirring in your heart during Teachable Tuesday today? What was the Holy Spirit highlighting?

How is discipling (training in obedience) for our good? How have you ever experienced discipline working for your good?

Do you sense the Lord asking you to do something hard? What's holding you back from obedience to what He's asking of you?

How will you make a plan for Confession this week? Who will you share your plan with?
